

8th Grade and Concluding Students Dinner with Pastor Schedule

One of the opportunities given students who are in their concluding year of Confirmation and Middle School Ministry at Our Savior is to spend time with Pastor Houska for dinner and discussion. During these dinners with Pastor, the students review and prepare for the solemn promises that they will make on Confirmation Sunday and get an opportunity to better know Pastor Houska. Please make every effort to make these few dinners a priority on your schedule.

Each 8th grade family is asked to provide the dinner for the class with one or two other families during the year. As of August 29, 2011, we are short one family for the March 4 dinner. If you're willing to assist the Worrel family with that meal, please let Sonja know. We will provide the utensils, cups, and plates and ask that you provide the drinks and food for that evening for approximately 17 people. As you work together with the other family you are partnered with (information is in church directory or contact the church office 972-562-9944), we highly suggest that you keep the meal simple (ie, pizza, pasta, subs, sloppy joes). If providing dinner places a financial burden on your family please let Pastor Houska know.
