Major Point:

In the state of humiliation Christ chose to not fully use His powers as God. He humbled Himself by becoming a man and fully experiencing life on earth. Then He died on the cross to redeem lost humans like me.

Major Passages:

Philippians 2:5-8
John 19:30
Isaiah 53:4-5
Romans 5:6-11

Team Time

1. Think of a time in your life when you experienced humiliation. Share how it felt with rest of your group? How do you think Jesus felt when He was humiliated by the same people He came to help?

2. While in the state of humiliation Christ did not always use His divine powers. Do you think it would be easy for you to have special powers and not use them? What does the fact that Jesus limited Himself in this way, so that you might be redeemed say for His love for you?

3. Read together and discuss Luke 4:1-13. Based on the last question how does this passage show Jesus' humility? Why do you think He chose not to fully use His powers here?

Close in prayer thanking Jesus for His humiliation.

Family Time

Y Read together question and answers #s 126 - 140 from Luther's Small Catechism pages 130-137. Answer the following:

1. Philippians 2:5 says that we should imitate Christ's humility? What are some ways the members of your family might do this? How has your family benefited from Christ's humility and work of redemption?

2. In your own words, briefly describe and respond to the three things that the Bible teaches about Christ's life suffering and death. (tell me what each one means personally to you)

a.

b.

c.

3. Read together Isaiah 53:1-12. How is Christ's humiliation described in this passage? How does this make His work of redemption special to you?

4. Because Jesus Christ has conquered the devil, "the devil can no longer accuse me of my sins and I can resist his temptations." (James 4:7; Romans 8:31-34) Can a Christian ever truthfully say the devil made me do it? What are some practical ways that we can withstand the temptations of the devil?

Close in prayer together asking God to help your family remember the humiliation Christ experienced for each of you.

This is to verify that I completed the **family Time** portion of this week's Confirmation lesson with my student.
